All the final sizes vary rosette to rosette by a quarter of an inch to a half an inch. These are 100% hand made and therefore some size variation is present.

Lame Overlay – Prices are available upon request and change frequently to reflect the cost of the product.

Galaxy is the shiny edging on the ribbon itself. Our standard is to use gold galaxy. We can also do silver galaxy upon request given we have plenty of advance notice to order your colors. See Examples below.
